

Symposium on “Reaching the Next Level of Health, Safety and Environmental Management by New Technology and Innovation” “開創新科技，帶領職安健、環保管理邁向新里程”

5th June 2015 (Friday)

Chiang Chen Studio Theatre, The Hong Kong Polytechnic University

Organized by

The Society of Operations Engineers (Hong Kong Region) (SOEHK)

Co-organized by

The Institution of Environmentalists

Theme

This symposium will introduce the latest emerging innovation and technologies which contribute to the current paradigm shift in Health, Safety and Environmental Management.

In the symposium, new technology and approaches will be presented, analyzed and summarized. Their effectiveness and outcome will be evaluated and further explored to foster further discussions in the existing management framework, with that aim, the new initiatives can then be implemented effectively by every individual.
