

Seminar on “Utility Safety – How it happens and how to prevent”

Date and time : 27th July 2013 (Sat), 9:30am to 12:00noon
Venue : TU107, The Hong Kong Polytechnic University
Co-organizer : LSGI Department, The Hong Kong Polytechnic University
Supporting organization : CCPDC; UTI; HKIE-CAD; InstMC; HKAAS; ACSD; HKARMS; ISHP

Program highlight

As we all know, numerous construction in Hong Kong are going ahead, it is not difficult to find excavation work in the street. To enhance the utility safety; therefore, it is time to remind them about the preparation work to protect utilities, but also the safety of the workers.

The centerpiece of the seminar is about Utility safety. A comprehensive overview of compliance with ordinances, root causes of accidents, best practices, etc., will be covered in the seminar.
